## Socratic Seminar Assessment

In the discussion today, the student...

	Yes! He/ She did this very well!	Sort of. He/She did this a little.	No. He/ She really needs to improve on this.
Remained focused on the text			
Was open to other people's ideas/opinions			
Listened attentively to the ideas of others			
Followed the rules of a polite, mature discussion by not interrupting, monopolizing conversation, or degrading others for their opinions			
Participated by introducing questions or topics for discussion			
Participated by following up on the ideas of others			
Referred to the text in many of my responses, using the text to back up my own ideas			
Provided specific text evidence for discussion, encouraging others to open their books to a specific page/passage			
Offered ideas that were insightful and thought-provoking			

Feedback: What suggestions for improvement can you give to your peer?
